If you have previously registered for another sport through the PlayHQ system, you will already have an account linked to your email address and can login using these details.

All payments are online this year. You will notice that there is a detailed breakdown for the fee's charged by each different organization. The fees have been calculated together, to equate to the following registration costs:

****IMPORTANT INFORMATION - Sports Vouchers for Junior Netballers ****

In 2023, children aged 5 to 15 years (inclusive) will be eligible for a Sports Voucher (these children will have a year of birth from 2008 to 2018).

Members will only be able to claim a Sports Voucher against the cost of their Netball SA Membership Fee at the time of registration, as was the same with the 2022 season.

Clubs will no longer claim Sports Vouchers on behalf of their members in an effort to reduce volunteer burden. The downfall of the new systems set up, is that multiple registered providers (ie. Netball SA and MinMan) cannot claim against the same member in the same calendar year. This unfortunately means that the member will not be able to use the Sports Voucher against the club/association fee. As Netball SA's fee is much higher, it is of benefit for the member to claim on this fee and not the club's fee. This does mean, that the voucher cannot be fully claimed at the time of registration. This is a State wide issue for Netball SA/Play HQ and not something we have been able to successfully find a workaround for, for our parents.

Information for members about redeeming vouchers through PlayHQ, should you choose to use it for Netball, can be found on the Help and Support page [here](#).

For any Sports Voucher queries please contact sportsvouchers@sa.gov.au.

Any questions at all please do not hesitate to contact Victoria Hughes on the details below.
