

Policy Statement

Our Commitment

Electronic communication is essential for the sharing of club news and information with our members and promotion of our club and its members. Our communication will be timely, appropriate, and related to club business.

Mintaro Manoora Sporting Club uses a range of electronic communication tools to deliver information and news to our members and the public.

Our communications will protect member's privacy, maintain clear boundaries and ensure that bullying and harassment does not occur, to the best of our ability.

Mintaro Manoora Sporting Club will gain photo and name sharing consent at the beginning of each year through registrations and this choice will be respected when posting on social media.

The Executive Committee will be aware of who is appointed to have the administrative control over material published on our club's website and any social media accounts and Apps.

It is recommended that a minimum of two Executive Members hold administrative roles of each social media and App account to monitor users and content.

- Offensive content or photos will be removed at the discretion of the administrators.
- Sponsors will be advertised in appreciation for their support where appropriate.
- Feedback from members to improve the information available on the site is encouraged.
- All social media postings, blogs, status updates and tweets will be treated as public 'comment'.
- Postings (written, photos or videos) will be family-friendly and feature positive club news and events.
- Personal information about our members will not be disclosed as seen appropriate by administrators of the site.
- Statements which are misleading, false, or likely to injure a person's or club's reputation will be removed.
- Abusive, discriminatory, intimidating, or offensive statements will not be tolerated.
- Offending posts will be removed and those responsible may be blocked from the site.
- Photographic devices are not to be used in the Change-rooms and shower/toilet areas.

Website

Our website will be updated to include current information on competitions, diary dates, committees, policies, constitution, rules and by-laws and sponsors, where possible.

Email

Email communication will be used when more information is required for whole club, Sponsors and for official notification including AGM's, Special General Meetings and registrations.
